PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th December 1876.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Namkul, 27th November 1876, No. 316:—

In reference to the Proceedings of the Board, No. 1,955, dated 1st August 1876, paragraph 6, I have the honor to state that the preparation of the schemes for the revision of the Village Establishment in all the taluqs of the district is in abeyance with the exception of the Trichengode scheme which has already received the sanction of the Board and Government, and Tripatore which has been approved by the Board in their Proceedings, No. 1,155, dated 3rd May 1876, and forwarded for sanction of Government.

2. In deference to the views expressed by Government in their Proceedings, No. 865, dated 29th June 1876, paragraph 3, I propose to add thirteen additional Munsifs to the villages as per accompanying list, which will then, I think, make the Trichengode scheme completely in accordance with the suggestions thrown out by Mr. Puckle when at Salem last August. I shall be very glad to be able to introduce the revision in Trichengode and Tripatore at the ensuing Jamabundy. The cess has been collected since Fasli 1280 (1870-71), but not a single taluq has yet reaped the benefits of the long-promised revision of its Village Establishment, though the people have been paying for it for five years.
