WITH reference to G.O., dated 17th March 1876, No. 680, the several Collectors were called upon to report whether registers are kept of the fees levied under Schedules I and II of the Court Fees Act. The replies which are recorded above show that, with the exception of the Sub-divisions in the District of South Arcot, no such registers have hitherto been maintained in any of the districts, but that arrangements have been made for opening them in the form in use in the District Courts. The register, however, does not appear to be uniform in all the districts, and the Board suggest the desirability of the High Court prescribing one for adoption in all the Courts.

2. The Collector of Sea Customs should keep a register of the stamps affixed to the applications and bills of entry referred to by him, as the object of these registers is to show all the fees collected under the Schedules I and II of the Court Fees Act.

3. The Collector of Kurnool is informed that no quarterly return of the register need be submitted as is done in the case of fees levied under Chapter IV of the Act; but all Collectors should submit annually for the fasli year a statement showing the value of the fees collected under Schedules I and II in each office. The statement should be submitted within two months of the close of the fasli year. The first statement of the kind should be submitted for Fasli 1287.
