Go. 2<sup>o</sup> March 1877 No 775

Report on Botanical gardens, Filigories to be submitted to the Finl. Dept for review.

This order of Gov. is circulated for instructions with reference to Gov. 8<sup>o</sup> April 1875. No 556.

Under Resolution 8.7.7. D. 31<sup>o</sup> May-75 No 1110, the Bot. gardens, Hla. were transferred to the charge of the Prov. revenues - according to Gov. 18<sup>o</sup> Oct 75, the Budget was to be submitted for review in the Finl. Dep.

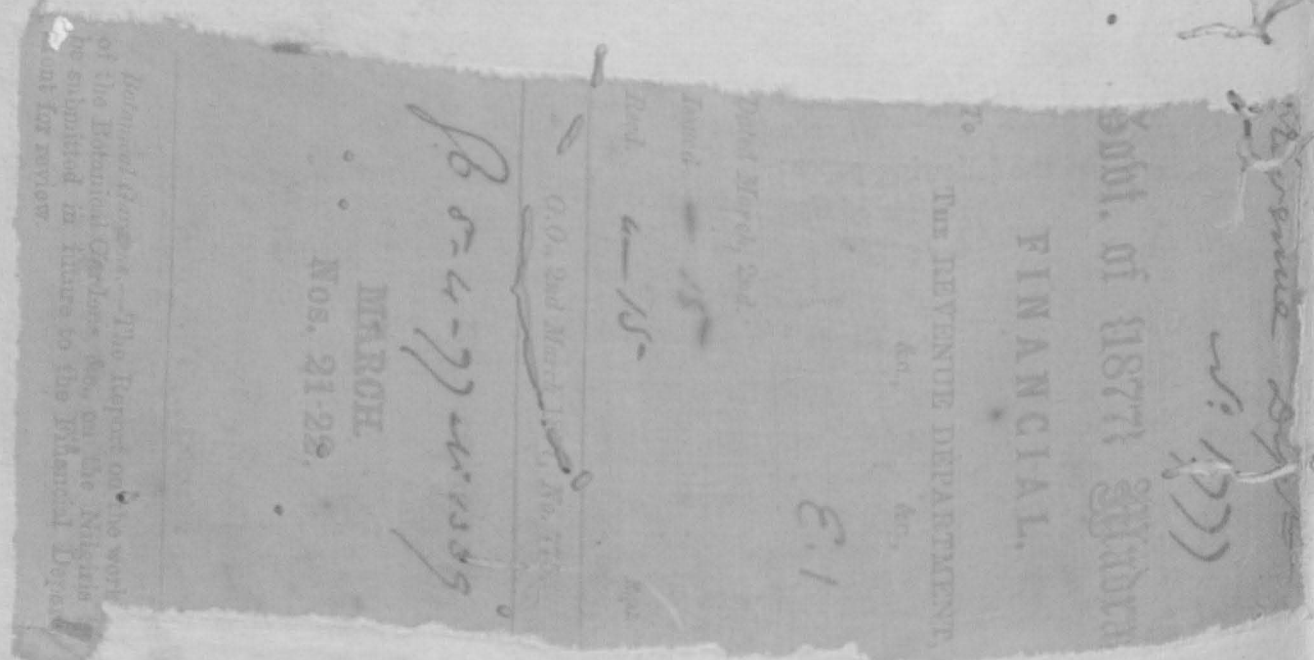

Prior to this however, in the case of Austrian items under Prov. funds, orders were passed directly that all papers regarding them should be considered & disposed of first of all in the Rev. Dep. - orders thereon being communicated to the Finl. Dep. - The principle of the order now passed

I do not see that the Botanical gardens naturally belong to the Gov. I think they are more appropriately public & should maintain the Gov. of 2.3.77. L.R.

See that the order of 2 March was passed & was

Go. 8<sup>o</sup> April 1875: 556.

Let not have done so with that which is now brought before me - I think that all gardens as more especially experimental & propagating gardens are strictly matters belonging to the Rev. Dept & should be disposed of in

second seems to be an  
 variance with that  
 laid down in the  
 Order of 8<sup>th</sup> April 1875.  
 And if admitted  
 would naturally  
 extend to other cases,  
 e.g. the Gov. Farm,  
 the Agricultural School,  
 Agricultural Exhibitions -  
 which would seem  
 properly to belong  
 to the Revenue branch  
 of the administration.  
 Where administration is  
 and, ~~and~~ therefore  
 appropriate, it is  
 submitted, viewed  
 in the Rev. Dep.  
 The existing arrangement  
 however, where with  
 the exception of the  
 items mentioned in  
 8<sup>th</sup> April 1875, the  
 Budget is entirely  
 viewed in one Dep.

whilst the administration  
 report is viewed in  
 another is open to grave  
 objection - It is submitted  
 that the principle expressed  
 in the Order of April 75, should  
 be applied to all funds  
 which seem naturally  
 to belong to the Rev. branch  
 of the administration

21.3.77

I think the Botanical  
 gardens - & Cinnamon  
 plantations &c. should  
 be viewed in same department  
 I do not recollect seeing  
 the order of March 2<sup>nd</sup>  
 but seeing the paper  
 I do not follow the reasons  
 for change in the system

within three weeks in the above order resolve to direct their principle laid down in § 6. P<sup>t</sup>. April 1875 - No 556. - as regards to General Funds, & to certain items under Provincial Funds shall apply to the other Botanical Gardens, and such other <sup>Chargés</sup> ~~Tenants~~, the administration of which belongs naturally to the Revenue Branch of the Service.
