GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

13th February 1877, No. 170.

Administration Report.

Read again G.O., dated 12th September 1876, No. 1014.

No. 63. ORDER THEREON, 13th February 1877, No. 170.

In paragraph 4 of G.O., dated 12th September 1876, No. 1014, regarding the supply of material for the General Summary forming Part I of the Presidency Administration Report, a distinction was drawn between "brief abstracts of principal statistical results" and "accounts of principal events and measures," as forming the component parts of that Summary, and officers were instructed to forward for 1875-76 manuscript drafts under the latter head only. This distinction will not be maintained hereafter, and officers will draft entire the paragraphs relating to their several subjects.

2. The following is an amended list of subjects on which contributions are required, and of officers who will make them. Where not otherwise specified, the period for notice is the official year:—

With the exception of the two points mentioned above, the instructions given in paragraph 4 of the Order of 12th September 1876 hold good, and officers are referred to them. It will be observed that what is required in Part I, which is prepared under special instructions from the Government of India, is a very concise summary written in narrative and non-technical style, showing for the year the moral and material condition of the country in each department, with comparative notices of successive years showing progress made. Material will be found by Heads of departments in their
