No. 154. Read the following Proceedings of the Board of Revenue, dated 19th March 1877, Miscellaneous No. 4,042:—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of the Government Farms, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Secunderabad, 21st February 1877, No. 180.

I HAVE the honor to submit the accompanying petition for favorable consideration. Under G.O., No. 1,085, of the 9th October 1873, the sum of 900 Rupees was paid to the Wudders as compensation as follows:—

	RS.
For the removal of 100 huts, at Rupees 3 each	300
For the growing trees belonging to these 100 huts	400
For the purchase of 5 acres of land	200
Total	900

which sum was for each of the huts to be removed Rupees 9.

When the proposals for removing the Wudder colony were first submitted, it was thought that a number of the families would be willing to remain on the Farm estate as employés, however none would do so.

When the people left there were 135 huts, of which 5 were uninhabited. Compensation having been paid for only 100 of the huts, the remaining 30 hut-owners are, I think, entitled to an allowance similar to that paid to the hut-owners who have received compensation.

When it was proposed to give the bandstand land to the Wudder colony under certain conditions, they (*vide* paragraph 5 of my letter printed with the Board's Proceedings, No. 2,693, dated 27th September 1875) agreed to accept Rupees 900 as compensation in full; but this arrangement was afterwards set aside, and the whole of the people (*vide* my letter, No. 108, dated 13th March 1876—see Board's Proceedings, Miscellaneous No. 2,444, of the 18th of March 1876 left the Farm together, and made their own arrangements for obtaining a site for their new settlement.

The delay in bringing forward this matter is, I understand, due to a want of unanimity amongst the people, and to so many of them having been resident away from the new settlement.

The people have no claim whatever to compensation for the fruit on the trees at the time they left the Farm.

SUBMITTED to Government with the Board's recommendation that sanction be granted for compensation in the case of 30 more huts. The amount (Rupees 270) can be met from Farm Funds.

Miscellaneous.

BEFORE sanctioning the payment of the compensation the Government request the Board to be good enough to ascertain to the huts for which compensation is now sought, as it is observed the average of 9 Rupees for each hut is obtained by including the lump sum of Rupees 400 and 200 for trees and purchase of a site respectively. Each hut was valued at Rupees 3 only.

Sir,

I have the honor to submit
 the accompanying Petition for favor-
 able consideration. Under G. O.

 the sum of 900 Rupees was paid

When it was proposed to join
the Boundary stand lot to the
Wudder colony under certain
conditions, they, vide para 5 of
my letter, printed with the
Board's Proceedings No 2693
dated 27th September 1875,
agreed to accept Rs 900 as
compensation in full; but, this
arrangement was afterwards
set aside, and, the whole of the
people, vide my letter No 108
dated 13th March 1876 (see
Board's Proceedings Miscellaneous
Number 2444 of the 18th of
March 1876) left the Farm
together, and made their own
arrangements for obtaining a
site for their new settlement.
The delay in bringing forward
this

this matter is, I understand,
due to a want of unanimity
amongst the people, and to
