Famine Relief.

No. 166-A. Read the following Proceedings of the Board of Revenue, dated 26th March 1877 :—

Read the following letter from the Acting Collector of Kurnool, to H. E. STOKES Esq., Secretary to the Board of Revenue, dated 26th March 1877, No. 260.

I HAVE the honor to recommend that all Deputy Tahsildars, whether permanent or special, who may be engaged on relief operations may be granted an allowance of Rupees 15 per mensem during the time that famine works are in progress. In order to superintend the works in their ranges, these officers are obliged to be constantly on the move, and are therefore put to additional expense. This extra allowance will barely suffice for the keep of a pony.

2. I may also add that a special travelling allowance of Rupees 25 per mensem has been granted to all Tahsildars in consideration of the extra work which has now devolved upon them; and I request that a similar indulgence may be shown in the case of the Deputy Tahsildars also.

SUBMITTED for the favorable consideration and orders of Government.

2. The allowance would not be drawn by those who are left to carry on the current work at the cusbahs.

ORDER THEREON, 7th April 1877, No. 1,358-A.

Miscellaneous.

THE Collector's proposal is not clearly put. In paragraph 1 of his letter he recommends that Deputy Tahsildars, whether permanent or special, engaged on relief operations, shall be granted an allowance of 15 Rupees a-month during the time that famine relief-works are in progress; and in paragraph 2 advocates the extension to them of a similar indulgence to that shown to Tahsildars who get 25 Rupees a-month as a special travelling allowance. It is presumed that the Collector's recommendation is that an extra allowance of 15 Rupees and not Rupees 40 a-month should be granted to Deputy Tahsildars while in charge of relief-works. Presuming this to be what is intended the Government sanction the proposal, subject to the condition suggested by the Board of Revenue in paragraph 2 of their Proceedings above read.

No 135824 27 July April 1877

The Col's proposal is not clearly put.
In Para 1 of his letter he recommends
that Dr. 24th - the then present in special,
and any other relief questions, shall be
funded as allowance of 15 N. a month
during the time that famine relief works are
in progress - and in Para 2 advocates
the same to those of the similar indulgence
to that shown to Dr. 24th who get 25 N. a month
a special ranting allowance. It is presumed
that the Col's recommendation is that an
allowance of 15 N. a month & not 40
a month, shall be granted to Dr. 24th while in charge of
relief works. Presuming this to be the case
in order to get the sanction of the Board
