*Proceedings of the Madras Government, Revenue Department,
7th April 1877.*

No. 175. Read the following Proceedings of the Board of Revenue, dated 22nd March 1877, No. 1,308:—

Read again Board's Proceedings, dated 17th August 1876, No. 2,109.

Read also the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 2nd March 1877, No. 205.

With reference to Board's Proceedings, No. 2,109, dated 17th August 1876, I have the honor to inform you that the Postmaster-General having recently visited Kurnool, I have, in personal communication with him, arranged that the District Post should be transferred to him from the 1st instant in anticipation of the Board's sanction. It might be thought that the 1st April would be a more convenient date for effecting the transfer, but as the disbursements made on account of the District Postal establishment on the 1st April relate to the month of March, it was thought right that the transfer should take place from the 1st of March; and also as it is emergently necessary that the postal arrangements in this district should be improved as early as possible on account of the necessity in these times of famine for rapid postal communication throughout the district.

2. In expectation of the District Post being handed over to the Postmaster-General before the next official year, no provision has been made in the Budget for District Post for the year 1877-78—*vide* remark in the Budget Estimate for 1877-78 already sent.

3. The following arrangements are proposed for the approval of the Board in connection with the transfer.

4. All the existing District Post Offices* should be converted into experimental Imperial Post Offices. The funds thus liberated it is proposed to allot as follows:—

1. Clerk for Inspector of Post Offices, Hyderabad Division	RS. 15
2. Stationary allowance for do.	4
3. Fifty District Peons at Rupees 6	300
Total...	319

The usual grant for the year is Rupees 3,880; under the above arrangement, the expenditure would come to Rupees 3,828. The balance of Rupees 52 and a further sum of 68 would be required for contingencies, which should be allotted sufficient to provide leather delivery bags, badges, and belts for for the fifty peons.

Proceedings of the Madras Government, Revenue Department
7th April 1877.

6. I request, in consideration of the urgent need of improved postal arrangements, that any new establishment entertained in anticipation of sanction of the Board will be allowed.

The Board submit to Government the proposal that the entire District Post in the Kurnool District be transferred to the management of the Postmaster-General, with their recommendation that the proposal, which appears to have been carried into effect in anticipation of sanction, be approved. The Collector has omitted to furnish the sketch map called for in the Proceedings read above.

2. It is presumed that the detailed proposals made by the Collector in paragraphs 3, 4, and 5 have been made with the concurrence of the Postmaster-General. The Board approve them, subject to the general approval by Government of the transfer of management. The request in paragraph 6 is inadmissible; the sanctioned scale of establishment must on no account be exceeded, as any increase requires the sanction of Government.

3. With reference to paragraph 2, the Collector is informed that Rupees 3,872 as per margin have been taken as the requirements of his district under District Post in the preparation of the Budget Estimates for 1877-78.
