PA. R. wing letter from J. F. PRICE, Esq., Acting Collector
Additio

I HAVE the honor to forward, for the information of Government, a copy of
a letter* received from Mr. A. Weekes,
B.C.S., Relief Officer in charge Jammalamadugu Range.

*Dated 22nd March 1877, No. 7.

2. I have instructed the Acting Sub-Collector, as cholera is now not so
severe in his range as it was, to send Mr. Weekes one of his Special Hospital Assist-
ants, and I have told Mr. Weekes that this is the only man that the district can
spare him until more medical assistance is ordered up.

3. I trust that Government will help me in this matter as soon as they can.
I can do nothing more than I have.

ENCLOSURE No. 1.

From A. WEEKES, Esq., B.C.S., Relief Officer in charge of Proddatur, Jammalamadugu,
and Pulivendla Taluqs, to J. F. PRICE, Esq., Acting Collector of Cuddapah, dated Jammala-
madugu, 22nd March 1877, No. 7.

In continuation of my letter Z, dated 14th instant, I have the honor to inquire whether the
medical officers asked for have received orders to join their posts.

2. The appointment of these officers is a matter of extreme urgency, as it is highly undesir-
able to send in the infirm, debilitated, and diseased poor of each taluq to the head-quarters
station and then to leave them to perish without medical assistance. At Jammalamadugu four
deaths, apparently from fever and dysentery, have already occurred during this month in the relief-
house, and there are three women there still who have been ill with fever for some time, in
addition to several other persons suffering from other diseases.

3. I have further particularly to request that an abundant supply of medicines may
accompany the officers appointed.

COMMUNICATED to the Surgeon-General,

that a medical subordinate and a good
