No. 197. Read the following Endorsement of the Secretary to Government,
Public Works Department, dated 4th April 1877; No. 879 :—

Read the following papers :—

Read the following letter from J. O'SHAUGHNESSY, Esq., District Engineer,
Nellore, to the Chief Engineer, Public Works Department, dated Nellore,
25th March 1877, No. 214.

THE Officiating District Engineer, Bellary, has asked me, in reference to G.O.,
dated the 14th March 1877, No. 192, to adjust an advance of 100 Rs. made to
Overseer McCoy.

2. The Overseer has placed himself under the orders of the Collector of this
district, and I know nothing officially about him.

3. Under these circumstances, I have the honor to request instructions
regarding the adjustment of the advance referred to.

From Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts,
dated 4th April 1877.

THIS paper should be sent to the Revenue Department with the suggestion
that an order issue at once calling attention of all Civil Officers to the Provincial
Accountant-General's Circular, No. 13,599, dated 15th March 1877, paragraph 3-b.

It cannot be too strictly impressed on officers of the Civil Department that
they are not to disburse the salaries, travelling allowances, batta, &c., of the
members of the Public Works Establishment.

As far as I can see, they are doing this in many cases, even without a last
pay certificate to guide them, and in ignorance as to what the rules are, and to
what the men are properly entitled.

Moreover, if paid in Civil Department there will be no record whatever of the
salaries, &c., drawn by these men by which subsequently to check claims for
pension and gratuity.

When all salaries are paid in the Public Works Department there will be no
difficulty in recovering all advances.

TRANSFERRED to the Revenue Department for consideration.

(Signed) J. MULLINS, Lieut.-Colonel, R.E.,
Secretary to Government, P.W.D.
