GOVERN. MADRAS.
FINANCE. DEPARTMENT.

13th Febr., No. 543.

Read the following paper:—

No. 241. From J. D. GRANT, *Acting District Engineer, Tinnevely, to the Secretary to Government Works Department, dated Palamcottah, 5th February 1877, No. 174.*

I have the honor, with reference to state that I purposely abstained from making any definite proposal regarding the grant of allowances, believing that Govt. had fixed a scale of extra allowance for adoption in all distressed districts. It had not yet been found necessary for this district. I would beg now to propose to all Supervisors and those of lower grade in the executive branch the pay of next higher grade be passed.

2. The weekly reports of the Government Orders sufficiently show that or from time to time published with alteration of some sort is necessary.

3. Transferred to the Financial Department for consideration whether famine allowances are necessary in Tinnevely, and, if so, on what scale, e.g., on the scale of what other district for which allowances have been sanctioned.

(Signed) MULLINS, Lieut.-Col., R.E.,
Secretary to Government, P.W.D.
8th February 1877.

No. 242. ORDER THEREON, 13th February 1877, No. 543.

The scale and conditions are prescribed in the Government of India Order on which the Government Order, dated 3rd January 1877, No. 41, is based and are quoted therein.
