*Proceedings of the Madras Government, Revenue Department,
9th April 1877.*

Famine Relief.

No. 201-E. Read the following Proceedings of the Board of Revenue, dated 28th March 1877, No. 1,389 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 23rd March 1877, No. 184.

WITH reference to the recent appointments of Lieutenant Lockyer, R.A., and Mr. G. Baudry as famine relief officers to this district, I have the honor to inform the Board that, as suggested in their Proceedings, dated 6th March 1877, I shall attach the former to the sub-division and withdraw my Assistant.

2. As regards the appointment of Mr. Baudry, I would desire respectfully to point out that the assistance I require is of two kind—

(1.) Experienced Revenue hands.

(2.) Skilled responsible members of the Public Works Department, not young, inexperienced men, even though gentlemen.

3. As regards the first want I would observe that if I could have an experienced assistant, say Mr. E. E. Spencer, lately attached to this district to whom I could confide all ordinary office-work, important matters only being reserved for myself, this would do more for me than anything, as I could then be constantly out in all directions, exercising personal supervision over works going on; as it is, whenever I am absent for a day or two, arrears, hard to work off, accumulate, as the correspondence and miscellaneous work are very heavy, and I cannot drag the office with me every where to say nothing of expense.

4. With reference to Public Works assistance, I have addressed the Superintending Engineer with reference to G.O. of the 15th February, No. 681, and Board's Proceedings, dated 14th March 1877, and trust soon to have my hands strengthened, but would observe with reference to the outsiders already appointed—Overseers Smith and LeMerchant and Mr. Supervisor Fox—that Mr. Smith, though he says he was in the Hyderabad Public Works, cannot prepare the simplest estimate (I send a specimen*), and further drinks

steadily. I have dispensed with his services, while Mr. LeMerchant was formerly discharged from the Public Works Department, and though I trust he may do well, he requires watching, and I would rather have reliable maistries of the regular establishment than doubtful individuals of the Overseer grade. Mr. Supervisor Fox only joined a day or two since, so I am unable to express any opinion regarding him, except that he looks a smart and intelligent man.

SUBMITTED for the orders of Government

2. The Board are not aware whether Government are in a position to comply with the Collector's application for an experienced Assistant and Overseers from the regular establishment. Their services would doubtless be very useful in Chingleput.

Miscellaneous.

LIEUTENANT Lockyer's services will probably be required in connection with a relief camp to the north of the Red Hills. The Government would readily send Mr. Barlow some thoroughly efficient Overseers or maistries if they could get them.
