*Proceedings of the Madras Government, Revenue Department,
9th April 1877.*

Famine Relief.

No. 203-A.

Dated 9th April 1877, No. 1,376-A.

Miscellaneous.

THE Governor in Council having ordered a sanitary inspection of the distressed district to be carried out, and

for this purpose having placed a number of medical officers at the disposal of the Sanitary Commissioner, who has been entrusted with the duty of carrying out the details of the scheme, the Collectors of the districts marginally noted are directed to afford to the officers deputed to their respective districts, in connection with this duty, every assistance in their power, and to instruct all their subordinates, and particularly those in charge of relief operations, to do the same.

Bellary.	Salem.
Kurnool.	Chingleput.
Cuddapah.	North Arcot.
Nellore.	Coimbatore.
	Madura.

2. The object of the inspection is chiefly to ascertain, with as little delay as practicable, the general physical condition and appearance of the people and the sufficiency of the State measures of relief, and to this end the inspecting officers have been directed to report weekly, in diary form, to the Sanitary Commissioner, and to send extracts from such diaries at once to the Collectors of the districts in which employed on any points which it may be of importance that the Collectors should be kept informed.

3. The medical officers employed on the inspection will draw the salaries and allowances noted in the margin, and a deputation allowance of Rs. 5 a-day, in addition to the usual rates of mileage for travelling by road or rail.

4. All charges in connection with the inspection will, until further orders, be debited to Famine Relief.

5. The Collectors concerned will communicate with the Sanitary Commissioner directly they consider the public health of their districts is sufficiently improved to admit of the Special Inspecting Officers' services being dispensed with.

(True Extract.)

SURGEON-GENERAL'S OFFICE,

Indian Medical Department,

Fort Saint George,

20 April 1877

My dear Ganshin, 1376-A
13

Your marginal
note to accompany G.O.
No 1376-A of 9 April
has just come in, &
although my people
consulted the pay office
I find that they have
overlooked the fact,
that from the 30 March
Capt Surgeons McHally
& Laurence will be
entitled to the next
higher rate of remuneration.

pay viz Rs 600 per
mensem, instead of
Rs 450 which they have
hitherto been drawing.

This increase is due
to their service being over
5 years, & as they would
lose by being detailed
for sanitary duty unless
the augmented rate
of pay is secured
to them, I write to ask
you to be good enough
to make the necessary
correction in the marginal
note.

The memo should read thus
Surp. Medicaly 3rd Regt. Rs 600 + 14
batta, Rs 5 per diem, &
travelling allowances

"Lawrence 2nd Regt. Rs 600 +
do do do

It is also better ^{inform you} to ~~note~~ that
if Dr. Rogers-Harrison be
retained on this duty after
the 1st Oct. next, he also
will become entitled to
the higher rate of Rs 600
per mensem subsequent
to that date, as having
completed 5 years service.
As matters now stand this
figure opposite his name
& the names of the remaining

6 on the list are quite
correct. I enclose for
ready reference a revised
copy of your printed
memorandum, regret for the
oversight on your part
Sedie.
