Famine Relief.

No. 211-A. Read the following Proceedings of the Board of Revenue, dated 31st March 1877:—

Read the following letter from J. GROSE, Esq., Collector of Nellore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Nellore, 21st March 1877, No. 1,295.

I HAVE the honor to submit for sanction two estimates, one for the construction of a road from Gudlur to Lingasamudram, and the other for one joining Lingasamudram to the Chundi to Kandakur road. As the amount involved is Rupees 19,361-1-0 in one case and Rupees 8,304-13-6 in the other, the sanction of Government is requisite for the former and that of the Board for the latter, under the rules communicated with Board's Proceedings, No. 1, of the 2nd January 1877.

2. The roads are considered desirable by the Sub-Collector, and their necessity as relief-works is shown in the remarks in the body of the estimates.

THE second road, with the estimate for which the Board can deal, is not yet commenced. The Board must decline to sanction any more new roads as relief-works in the Nellore District. The coolies should be drafted to the East-Coast Canal.

2. The first road has unfortunately been commenced, but the expenditure to date is not stated. The estimated rate of 6 annas 10 pies per cubic yard of earth-work cannot be accepted or recommended to Government. The estimate will be returned to the Collector for revision, and with request that he will consider the advisability of going on with the work.
