Certain Road Works in the Nandial and
Nandikot Taluqa, Karnool District. - Sanctioning provisionally the estimates for the completion of - and relying on the Collector to stop the works as soon as practicable and to transfer the labor to the canal.

I conceive that there
are works long in pro-
gress - & now wanting
sanction (pass of
penditure
has not been for
this is the case - & the
net bills & the estimate
for the expenditure to
date & estimate to
complete where
work is undispensed
necessity
of

Sanction is inevitable
think. The works are
all well advanced &
just past the expenditure
has been incurred

There are the at
present unvalued for
I would not sanction
The works seem too large
for village works &
the works unmanageable
with (some) in hand
the amount exceeds
100,000 Rupees

But I think
I would sanction
provisionally - and that
the Govt. will on the order
to stop the works as soon
as it is found that the
works are not for the benefit
of the Canal & the L.T.
