No. 279A. Read the following Proceedings of the Board of Revenue, dated 28th March 1877, No. 1,396:—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 20th March 1877, No. 180-903.

In reference to Board's Proceedings, No. —, dated 1st instant, communicating G.O., No. 963, dated 6th idem, I have the honor to report that Mr. Newman has gone back to his forest work; but Mr. Mahomed Ali Sahib is still in charge of relief-works, and I earnestly request the Board of Revenue will obtain the sanction of Government to his retention.

2. Mahomed Ali Sahib is carrying on his forest work as well in addition to relief-work, and his services are much required, as supervision is emergently required at Denkencotta, where he is working, and which is the head-quarters of his forest range.

SUBMITTED for the orders of Government.

2. The services of good supervising officers are much needed in Salem, and, on reconsideration of Colonel Boddome's letter recorded in Board's Proceedings, it appears to the Board that, with the sanction of Government, he would not object to Mahomed Ali's employment. That officer will not be moved from his range, and is continually moving about. It is probable that he can assist in relief-work without prejudice to his ordinary duties, and his help is valuable.
