No. 419. *From R. J. MELVILLE, lector and President of the Municipal Commission, Vizagapatam, to th Secretary to Government, dated Vizagapatam, 23rd January* 1877, *N*

I have the honor to forward, here e sanction of Government, the Budget Estimates for 1877-78, and the Re te for 1876-77, of the Vizagapatam Municipality, prepared in accordanc structions contained in G.O., dated 27th November last, No. 2126.

2. Opening Balance.—The vari veen the Regular Estimate and Budget Estimate for 1876-77 are explained emorandum attached to the Regular Estimate. Owing to the necessity of he damages which the Municipality sustained in the late cyclone, the ope ance brought forward in the Budget Estimate for 1877-78 is reduced to R 3 from Rupees 3,995, which was the closing balance estimated at the time the Budget of 1876-77. Had it not been for the liberal donation of Rup granted by the Ranee of Bobbili for repairing the damages caused by t e, the opening balance would have been nil.

3. Receipts.—The receipts for are estimated at Rupees 19,977 or Rupees 1,613 less than the estimated or 1876-77. This decrease is mainly due to the Local Fund share on acco Tolls having been deducted from the Municipal receipts.

4. Charges.—The total charges ar to Rupees 19,601, against Rupees 25,430 in the current year. The decrease is mai New Works, and in charges appertaining to Lighting and Leper Hospital. Mos the requirements of the town for roads, drains, &c., having been met in previous s, the provision under New Works has necessarily decreased. The decrease un ghting is due to the fact that lamp-posts and lanterns have already been purchas e number of patients to be fed having been restricted to twelve the charges for eper Hospital are less than those of the current year.

5. The minor variations are e 1 in the Memorandum appended to the Budget Estimates.

2. The balance arrived at on a Regular Est[illegible]imate for the current year amounts to Rupees 1,163. It is observed that owing to [illegible]berality of the Ranee of Bobbili in presenting the Municipality with a donatio[illegible] Rupees 4,000, the Commissioners expect to be able to repair within the curr[illegible]r a great portion of the damage caused by the recent cyclone.

3. Excluding the opening balance [illegible]ated receipts of the Municipality amount to Rupees 19,977 against Rupee[illegible] the Budget for the current year, the decrease being more than accounted [illegible]e assignment of Rupees 2,000 as the Local Fund share of the tolls. The [illegible]of the Regular Estimate should have been shown in the last column of Stat[illegible]nd II.

4. Funds not being available nothing [illegible]provided for New Works, but it is observed that the President is of opinion t[illegible] the requirements of the town in the way of roads, drains, &c., have been me[illegible]us years. The enhanced provision for repairs is on account of the damag[illegible]y the cyclone.

5. The provision for the Leper Hospi[illegible]have been shown under Grant III. The Vaccination Establishment must be rev[illegible]eference to the new Rules.
