Read the following letter from W S. WHITESIDE, Esq, Collector of North Arcot, to H E STOKES, Esq; Acting Secretary to the Board of Revenue, dated Chittoor, 29th December 1876, No 587

I HAVE the honor to inform you that as distress is severely felt in the Trittani Division of this district, I have directed the immediate commencement of the marginally noted relief works in anticipation of sanction, and to request that you will be good enough to obtain the approval of the Board for the same I may add that my operations are greatly cramped for want of tools and implements I have enquired for them in every direction, but can only procure them in very small quantities, and in consequence am unable to employ by any means the number of cooly people that would be the case if tools were available I have sent in indents to the General Superintendent, Public Works Workshops and Stores at Madras, for early compliance

2 The Collector should indent freely on Madras for the tools wanted
