Proceedings of the Madras Government, Revenue Department,
14th April 1877.

Proceedings of the Madras Government in the Revenue Department, dated 15th January 1877, No. 276.

Read the following Proceedings of the Board of Revenue, 5th January 1877, Miscellaneous No. 88, on letter from the Acting Collector of Tinnevely, dated 23rd November 1876, No. 693.

With reference to Board's Proceedings, Miscellaneous No. 9,511, dated 6th November 1876, I have the honor to inform you that the estimate for the Police huts at Viziaputhy was never sanctioned at all. It was received back with Board's Proceedings, No. 4,934, dated 6th August 1873, sanctioning the estimate for Sruthanguti and Kayalpatam, and passed on to the Public Works Department by mistake as a sanctioned estimate. It was submitted by the District Engineer to the Chief Engineer on the 24th July 1876.

SUBMITTED to Government with reference to the remark opposite to Tinnevely in the statement in paragraph 2 of Board's Proceedings, dated 4th November 1876, No. 2,740.

2. There is nothing to show that the estimate* were ever received in the Board's office and returned to the Collector. They may, however, be now considered as sanctioned.

ORDER THEREON, 22nd January 1877, No. 211.

CIVIL WORKS, No. 13-A.

Communicated to the District Engineers concerned with reference to G.O., No. 3,428, dated 3rd December 1875.

2. It is presumed that the plans and estimates of all sanctioned works have now been made over to the District Engineers, although no assurance of this is given in the Board's Proceedings, No. 2,740, dated 4th November 1876. As regards Police huts at Viziaputhy (Item No. 79), attention is called to G.O., No. 2,380, dated 7th September 1876, from which it will be seen that a revised estimate, amounting to Rupees 2,760, has been sanctioned for these buildings.

3. Adverting to paragraph 4 of the Board's Proceedings, No. 2,740, dated 4th November 1876, it is remarked that, under the orders of the Government of India, no new works can now be undertaken, least

* e.g., the two works in the Kistna District. of all, works* whose estimates have not been sanctioned. And it will be seen from the orders of the 8th December 1876, No. 3,321, that District Engineers have been instructed to defer the execution of all works not actually commenced with a view to the funds being surrendered to the Government of India. As regards the work in the Madura District, which it is proposed

to enter in the Budget of 1877-78, it is remarked that it is quite impracticable at this late date to make any provision for it; the Imperial Budget having already been prepared and approved by Government. Timely arrangements should in future be made for the inclusion of Salt Works in Public Works Budget Estimates; all requirements being brought forward through the District Budgets which are submitted to Government during October of each year; and plans and estimates prepared under the rules laid down in Chapter V of the Public Works Code, paragraphs 84 to 86. In fact Salt Works should be treated in all respects like other Public Works.
