PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the Acting Collector of Cuddapah to the Chief Secretary to Government, dated 28th February 1877. No. 20.

I have the honor to reply to G. O. Financial Department, No. 689, dated 24th instant.

2. I do not consider it necessary that there should be Sub Agents at Vellore and Gurriatums for the despatch of grain to the Sub Division of this District.

3. This opinion is, as regards Vellore, subject to the condition that Government has not in view the question of making Vellore a port at which grain can be stored ready to move it up into the Sub Division in case that the scarcity continues beyond the period that is expected.

4. The Sub Division has now a

months,

months' stock or more, so Mr. Gribble thinks, in store, and we cannot take any more without building accommoda-tion for it.

5. I am not aware of having written to Major Hicks in a gloomy way re-garding the prospects of grain supply in the Sub Collectors Talugs.

Order thereon 10th March 1877 - No 882

Communicated to the Revenue Department (Famine) and to Major Hicks, and to the Collector of North Arcot.
