**Famine Relief.**

No. 364. Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Badwail, 11th April 1877, Extra No. 696:—

I HAVE the honor to state that the Special Assistant Collector, whom I deputed to examine into the state of things at Royachoti, of which I heard a bad account, reports to me demi-officially that there are several severe cases of small-pox there and that medical aid for the purpose of setting sanitary matters in order and attempting to stamp the disease out is much wanted.

2. I have no one to send. My own dresser, who is as idle and useless as he well can be, has remained behind at Cuddapah stating that he is sick.

3. I beg therefore that Government will be pleased to send me help at once.
