*Proceedings of the Madras Government, Revenue Department,
17th April 1877.*

No. 386. Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Tirukurangudy, 7th April 1877 :—

Mr. O'FARRELL, Assistant Collector, not having succeeded in passing the lower standard examination, I have the honor to request that the Government will be pleased to give me a full-power Deputy Collector to assist me. If the Government approve, I would ask that he may be at once gazetted as Vice-President of the Tinnevely Municipality, and he will have entire charge of one taluq, Sankaraninar-kovil, besides assisting me in various ways. P. Viraragaviam, my personal Sheristadar, has several times acted as Deputy Collector in this district satisfactorily, and would suit well if the Government are pleased to appoint him.

No. 387. ORDER THEREON, 17th April, 1877, No. 1,456.

Miscellaneous.

This request is inadmissible: no Additional Deputy Collector can be appointed, with an Assistant over six months' standing.

2. Mr. O'Farrell will be gazetted with the powers of a 1st-class Magistrate.
