Sir,

Enclosures.

With reference to G. O. No. 2345W dated 9th September 1898, I have the honour to enquire whether a separate building is required for the Sub Registrar's Office at Keilkuntla, or if provision should be made for this Office in the plans and estimates for the Taluk Office to be built at that place.

If the Registrar's Office is to be part of the Salary Office, it would be advisable to make an entirely new design for a first class ^{Subordinate} Sahildar's Office, as the standard plan does not lend itself to any addition.

FOR ORDERS.

In C. O. No. 3443 d/23.8.98,
the Govt. approved of a site for the
Construction of a new Taluk Cut-
Cherry at Koilkuntla, Kurnool
district, and directed that the
new building should be
constructed according to the
revised type design for first
class Taluk Office and should
also provide accommodation
for a Sub-Registrar's Office.
With reference to this order
which appears to have been
Communicated to the Supg.
Engineer, III Circle, in P. O. 2344
of 9.9.98, the Superintending
Engineer enquires, in his letter
forwarded by the P. W. D., whether
a separate building is required
for the Sub-Registrar's Office

should be made for that Office.

Madras, 10th. December 1898.

Sir,

In returning the endorsement of the Public Works Department, No.992, dated 29th. September 1898, received with your official memorandum, No.2371, Judicial, dated 5rd. ultimo, I have the honour to state that I have no objection to the Subregistry office at Koilkuntla being accommodated in a separate building instead of in the Taluk office. The question is entirely one of economy. If the Public Works officers consider that it will be cheaper to build two separate offices than a combined office for both, the proposal may be sanctioned.

2. In the event of a separate building ^{being} erected for the Subregistry office, it may be built according to design A approved in G.O., No.1061, Judicial, dated 9th. July 1898.
