Famine Relief.

No. 395-A. 1. I read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, Fort St. George, dated Reddipalli, 9th April 1877, Extra No. 653 :—

I have the honor to reply to C. O. Revenue Department, No. 552, dated 12th February last, and to express my regret that owing to delay upon the part of divisional officers it has been so long unanswered.

2. With the exception of Mr. Weekes, B.C.S., in Famine Relief charge, Jamalmadugu, all divisional and relief officers are of opinion that plenty of useful work may be found for all the famine relief coolies now at work or likely to come to work in this district for the next seven months. Mr. Weekes seems to think that this can be provided for three or four months only. I do not, however, agree with him. His views seem to be based upon a very brief experience of the Jamalmadugu Taluq.

3. I have now several heavy estimates for material for existing roads ready to send in whenever the necessity for taking them in hand may arise.

No. 395-B.

ORDER THEREON, 17th April 1877, No. 1,460-A.

RECORDED. The Government would like to see the heavy estimates referred to in paragraph 3. The Collector will forward them through the Revenue Board.
