Famine Relief.

No. 398. Read the following Endorsement of the Secretary to Government, Military Department, Fort St. George, dated 11th April 1877, No. 2,165.—

Read the following letter from Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, C.S.I., Secretary to Government, Military Department, dated 10th St. George, 10th April 1877, No. 2,879.

I HAVE the honor, by order, to forward, for the consideration and orders of Government, the documents as per margin, with the recommendation of His Excellency the Commander-in-Chief that the Superintendent of the Jail at Kurnool be authorised to erect sheds, as proposed by him, for the detachment 21st Native Infantry, now at Kurnool, convict-labor and stone being provided free.

2. His Excellency the Commander-in-Chief would suggest that the cost of building these huts be debited to the Famine Relief Fund.

3. If the Detachment of Native Infantry at Kurnool is increased hereafter, more huts can be added.

4. The Commander-in-Chief takes this opportunity of adding that he proposes relieving the detachment 21st Native Infantry at Kurnool and that of the 33rd N. I. at Madras, after each has completed a tour of six months' detachment duty.

TRANSFERRED to the Revenue (Famine) Department for the consideration and orders of Government.

(By order,)

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a screen. The screen displays a target (a red dot) and a starting point (a green dot). The subject's hand is positioned at the starting point. The distance between the starting point and the target is labeled as d . The subject's hand is moved towards the target, and the distance between the hand and the target is labeled as x . The subject's hand is stopped at the target, and the distance between the hand and the target is labeled as x_f . The subject's hand is then moved back to the starting point, and the distance between the hand and the starting point is labeled as x_b . The subject's hand is stopped at the starting point, and the distance between the hand and the starting point is labeled as x_{b0} .
