Read the following papers:—

425. Proceedings of the Board of Revenue, dated 28th February 1877,
No. 873:—

Read the following letter from J. KELSEY, Esq., Acting Sub-Collector, in
charge of Godavery District, to H. E. STOKES, Esq., Acting Secretary
to the Board of Revenue, dated Cocanada, 9th January 1877, No. 3..

With reference to G.O., dated 28th September 1876, No. 1,366, Revenue
Department, communicated with Board's Proceedings, dated 7th October last, I
have the honor to state that I cannot understand the nature of the preferable
arrangement suggested by Government. The facts of the case are briefly these.
The land under reference was an *enfranchised* Inam with a quit-rent of 6 Annas
payable to Government, and a jodi of Rupees 6-8-0 payable to the proprietor. For
years of water-tax it was sold under Act II of 1864 and bought in by Govern-
ment for a nominal sum. The manager now calls on Government as the owner of
the Inam to pay the jodi.

2. It is unnecessary to grant in exchange a fresh piece of land of correspond-
ing value to the Zemindar, *subject to the payment of the assessment thereon*, and to
exclude the land from the zemindari. The Inam having been enfranchised by
the Inam Commissioner is no part of the zemindari, and need not be excluded from
it. The Zemindar has claim only to the jodi of Rupees 6-8-0, which can be made
good by the transfer (free of assessment) of a piece of Government land of equal
value. The Inam under reference will, of course, be leased out on behalf of
Government as stated in Government Order quoted above.

SUBMITTED to Government with reference to G.O., dated 28th September 1876,
No. 1,366, Revenue Department.

No. 426. From the Hon. D. ARBUTHNOTT, Inam Commissioner, to the Hon.
D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort
St. George, dated Madras, 13th April 1877, No. 93.

With reference to your Official Memorandum of the 19th March 1877,
No. 78, I have the honor to submit a copy of the Inam Register, from which it
will be observed that the Inam in question was granted prior to the permanent
settlement, and though situated in the zemindari, yet the reversionary right in
regard to it rests with Government and not with the Zemindar, inasmuch as the
proceeds of the Inam were not included in the assets of the estate on which the
peishchush was fixed at the time of the permanent settlement.

2. The Inam was consequently enfranchised and a title-deed issued.

Miscellaneous.

THE Government consider the best course to pursue is that indicated by the Board, i.e., to relinquish the Inam to the Inamdar.

2. Before doing so, however, they think that the land should be offered to the Inamdar, in case he cares to have it, subject to the payment of the kattubadi.
