No. 537. Read the following letter from W. A. GOODCHAP, Esq., District Engineer, Kurnool, to the Secretary to Government, Public Works Department, dated Kurnool, 13th February 1877, No. 12:—

I HAVE the honor to bring to your notice the state of the Cumbum Division as regards the executive establishment.

2. Mr. Overseer Ainley lies from 8 instant in a very critical state, suffering from all the worst symptoms of a bad a ck of cholera at Dupad, under the care of Mr. R. V. Mayer, Assistant Director, Revenue Settlement, on special duty in the Markapur Taluq.

3. Mr. Mayer and the Divisional Oficer Mr. Hicken have done their best in rendering him all the assistance available. A medical subordinate was sent there under orders from Dr. Pedroza with medicines. Mr. Mayer reports that his treatment has been successful, and the worst symptoms have disappeared. That gentleman is of opinion that should Mr. Ainley recover, he must be allowed short leave and that the immediate arrangements for relieving him of all work should be made.

4. Mr. extra Overseer Peters has been ill for the past few days and is in a weak state. First grade Sub-Overseer I sawmy Mudali is also down with fever; Mr. Hicken, the Divisional Officer, is c ed to relieve Mr. Ainley himself as a temporary measure, although he is unwell present, having suffered since 9th instant with a slight attack of diarrhœa.

5. The Divisional Officer applies to e to send assistance to him as early as I can, but I regret to say that I have no send to the Cumbum Division, as all my Executive Staff in the district is fu red and overworked.

6. As there is only one Taluq Ove d a Sub-Overseer, 3rd grade, available for duty in the Cumbum Range, I reqr ou will be good enough to appoint an Overseer to the Markapur Taluq as also for the Nandikotkur Taluq, as at present a Sub-Overseer is in charge and his se are much required in connection with Famine Relief works.

No. 538. ORDER THEREON,

ebruary 1877, No. 599.

ESTABLISHMENT, No. 30

THE Government regret the impracti- lity of strengthening the regular Public rks Establishment in Kurnool at the present time; but several Upper Subordin from other Provinces have been, or are about to be, posted to the district for ne relief operations, and the District Engineer should, in consultation with Collector, make the best arrangements possible for carrying on ordinary and spe work.
