*Proceedings of the Madras Government, Revenue Department,
19th April 1877.*

No. 461. Read the following Proceedings of the Board of Revenue, dated 13th April 1877, Miscellaneous No. 5,384 :—

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Masulipatam, 22nd March 1877, No. 587.

I HAVE the honor to report that No. 389 of Chebrole in the Bapatla Taluq is required for the purpose of quarrying stones for the Public Works in that taluq.

M. Prakasem, owner of the field, is not willing to sell it. He failed to appear before the Tahsildar (although twice summoned) to settle the compensation, if he was willing to part with the land, for it. He sent in a petition expressing his unwillingness to part with the land. It was not therefore possible to take any statement of objections from him. As the land is emergently wanted by the office of the Public Works Department, I propose to obtain possession of it by enforcing the Land Acquisition Act.

3. I enclose a draft declaration, and request that the Board will be pleased to obtain the sanction of Government for its publication. The land is wanted for a quarry, and is not in any way specially valuable. I hear that the man's objection to part with it is only that it is ancestral property.
