Famine Relief.

No. 480-A. Read the following Proceedings of the Board of Revenue, dated 5th April 1877, No. 1,540 :—

Read the following letter from E. TURNER, Esq., Extra Special Assistant Collector, to W. McQUHAE, Esq., Collector of Madura, dated Tirumangalam, 18th March 1877, No. 35 :—

I HAVE the honor to submit proposals for carrying out in the country under my charge the orders of Government in their Proceedings of March 3rd, and in paragraphs 9, 10, 11 of their Proceedings, dated 5th February 1877.

2. *Tirumangalam Taluq* (1).—A relief camp will be established at once at Tirumangalam. An excellent site has been selected for the purpose on the banks of the Gundar about three-fourths of a mile from the town.

(2.) I have divided the taluq into four parts as per list accompanying, and over each set a competent famine officer with pay varying from Rupees 15 to Rupees 25, each officer to have horse allowance of Rupees 15 and to have two Peons to assist him. The duties of the famine officer will be (a) to visit systematically every village within his division; (b) to remove to relief camps those who are unable to work and have no means of livelihood in their own village; (c) to prepare lists of persons who have no means of livelihood and who cannot be removed, and who must therefore be relieved by the village headmen. I think the above will suffice at present for Tirumangalam. This increase of establishment is absolutely required; the regular establishment is not equal to the additional work.

3. As I consider the above establishment necessary at once to carry out properly the orders of Government contained in the above-mentioned Government Order, I have appointed competent officers to the said parts, and they will enter upon their duties in anticipation of your sanction.

4. I do not consider more than one relief camp necessary for this taluq at present.

5. *Periakolam*.—I have just marched through this taluq and did not consider any relief measures required there. Since then (on 16th) good rain has fallen throughout the taluq. I see no reason to make any special proposals for village relief in this taluq. The ordinary taluq establishment will suffice.

No. 173.

SUBMITTED for sanction. I approve of Mr. Turner's proposals.

MADURA,
22nd March 1877.

Collector.

ENCLOSURE No. 1.—List of Villages.

allowance, but the Board do not think that two Peons are wanted for each of these officers. One peon on Rupees 7 for each will suffice and is sanctioned.

2. The system is approved but the services of the village headmen should be fully utilised in finding suitable cases and in the dispensation of relief.

3. It is satisfactory that no special measures are found necessary in Periakolam.
