*Proceedings of the Madras Government, Revenue Department,
19th April 1877.*

Famine Relief.

No. 480-A. Read the following Proceedings of the Board of Revenue, dated 5th April 1877, No. 1,540 :—

Read the following letter from E. TURNER, Esq., Extra Special Assistant Collector, to W. McQUHAE, Esq., Collector of Madura, dated Tirumangalam, 18th March 1877, No. 35 :—

I HAVE the honor to submit proposals for carrying out in the country under my charge the orders of Government in their Proceedings of March 3rd, and in paragraphs 9, 10, 11 of their Proceedings, dated 5th February 1877.

2. *Tirumangalam Taluq* (1).—A relief camp will be established at once at Tirumangalam. An excellent site has been selected for the purpose on the banks of the Gundar about three-fourths of a mile from the town.

(2.) I have divided the taluq into four parts as per list accompanying, and over each set a competent famine officer with pay varying from Rupees 15 to Rupees 25, each officer to have horse allowance of Rupees 15 and to have two Peons to assist him. The duties of the famine officer will be (a) to visit systematically every village within his division; (b) to remove to relief camps those who are unable to work and have no means of livelihood in their own village; (c) to prepare lists of persons who have no means of livelihood and who cannot be removed, and who must therefore be relieved by the village headmen. I think the above will suffice at present for Tirumangalam. This increase of establishment is absolutely required; the regular establishment is not equal to the additional work.

3. As I consider the above establishment necessary at once to carry out properly the orders of Government contained in the above-mentioned Government Order, I have appointed competent officers to the said parts, and they will enter upon their duties in anticipation of your sanction.

4. I do not consider more than one relief camp necessary for this taluq at present.

5. *Periakolam*.—I have just marched through this taluq and did not consider any relief measures required there. Since then (on 16th) good rain has fallen throughout the taluq. I see no reason to make any special proposals for village relief in this taluq. The ordinary taluq establishment will suffice.

SUBMITTED for sanction, I approve of Mr. Turner's proposals.

allowance, but the Board do not think that two Peons are wanted for each of these officers. One peon on Rupees 7 for each will suffice and is sanctioned.

2. The system is approved but the services of the village headmen should be fully utilised in finding suitable cases and in the dispensation of relief.

3. It is satisfactory that no special measures are found necessary in Periakolam.

From
E. Turner Esqre
Extra Spl. Secy to Govt
of Madras
To
W. Mc. Dubac Esqre
Colly of Madras

Sir,
I have the honor
to submit proposals for
carrying out in the country
under my charge the orders
of Govt in their Pro. of March
3rd & in para 9-10-11 of their
Pro. of 5th February 1877.

2. Tirumangalam Taluq
(1) a Relief camp will
be established at once at
Tirumangalam. An excellent
site has been selected for
the purpose on the banks
Gundar about $\frac{3}{4}$ of a mile
from the town.

2. I have divided the Ta-
luq into four parts as per
list accompanying & over
each set a competent
Famine Officer with pay
varying from 15 Rs to 25 Rs
each Officer to have horse
allowance of Rs 15 & to have
two Peons to assist him.
The duties of the Famine

Officer will be
(a) To visit systematically
every village within his
division.
(b) To remove to relief
camps those who are un-
able to work & have no
means of livelihood in their
own village.
(c) To prepare lists of
persons who have no means
of livelihood & who can
not be removed & who
must therefore be re-
lieved by the Village Head
men. I think the above
will suffice at present
for Tirumangalam. This

2 increase of establishment is ab-
(1) solutely required, the regu-
lar establishment is not equal
to the additional work.

3. As I consider the above
establishment necessary at once
to carry out properly the
orders of Govt contained in
the above mentioned G.O.

I have appointed compe-
tent officers to the said
posts & they will enter
upon their duties in an-
ticipation of your sanc-
tion.

4. I do not consider
more than one relief

camp necessary for the
Taluk at present.

5. Praekolam. I have
just marched thro' this
Taluk & did not consider
any relief measures req-
uires. Since then (only)
good rain has fallen
out the Taluk I see
reason to make any spe-
cial proposals for re-
lief in this Taluk.
The ordinary Taluk is
with suffice.

The estimate of Inspectors proposed by Mr. Turner are approved viz. to Rev Insps on Rs 25-20-20 & 15 each with Rs 15 horse allowances, but the Board do not think that two Peons are wanted for each of these officers. One Peon on Rs 7 for each with suffice & is sanctioned.

2. The system is approved but the services of the Village

Head men should be further utilized in finding suitable cases & in the dispensation of relief.

3. It is satisfactory that no special measures are found necessary in Periakolam.
