*Proceedings of the Madras Government, Revenue Department,

Famine Relief.

No. 480-C. Read the following Proceedings of the Board of Revenue, dated 11th April 1877 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 30th March 1877, No. 215.

In my letter, No. 184, dated 22nd instant, I reported the mode in which I proposed to employ Mr. Bradbury, of the Bengal Civil Service, who was lately posted to this district; I now learn with regret that his services are no longer available, and that he has been transferred to the Cuddapah District.

2. I have the honor to request that you will be pleased to move the Government to depute at an early date an officer in Mr. Bradbury's stead to superintend the relief works in progress in that portion of this district that I had arranged to place in Mr. Bradbury's charge, and also the relief camp that has been opened at Trichanoor.

3. It is extremely advisable that there should be an experienced European officer with first-class magisterial powers stationed in that part of the district; and I earnestly hope that the Government will be pleased to strengthen my hands in this respect as speedily as possible. The jamabandi is now in progress all over the district, and the time and energy of every divisional officer are taxed to the utmost. I have no one whom I can send to the north-east of the district, and it is of great importance that the Trichanoor relief camp just started should be superintended by a trustworthy experienced officer.

SUBMITTED to Government with a recommendation that a European officer be sent as requested by Collector.
