*Proceedings of the Madras Government, Revenue Department,
21st April 1877.*

No. 501. Read the following Proceedings of the Board of Revenue, dated 3rd April 1877, No. 1,492:—

Read the following letter from J. G. HORSEFALL, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cuddalore, 2nd March 1877, No. 111.

REFERRING to Board's Proceedings, dated 6th January 1877, No. 41, I have the honor to submit a list of similar cases furnished by the Deputy Collector Vencata Subbiah, and to request the Board's orders as to the disposal of them. All these Inams were originally granted for the up-keep of religious buildings and services so long as the same were properly maintained.

2. In paragraph 2 of their Proceedings above quoted, the Board considered that a money-compensation should be granted. I have the honor to solicit the Board's instructions as to whether the same procedure is to be adopted with regard to the cases entered in the present list. The only objection I see to this course is that the recipients would probably make away with the compensation amount paid them, leaving no provision for the future.

3. If lands cannot be taken up for the purpose under the Land Acquisition Act, an annual payment might be made in each case to avoid the risk alluded to above.

ENCLOSURE No. 1.—Statement.

THE Inams appear in some cases to partake of the nature of personal grants, but where it is necessary that provision should be made for the up-keep of the services for which the endowments were originally granted, the Board think that the payments should be made in the form of deductions from the village, beriz under G.O., dated 17th August 1876, No. 1,119, communicated with Board's Proceedings, dated 9th September 1876, No. 2,302, and the sanction of Government is requested to the adoption of this course.

Miscellaneous.

The course proposed by the Board is approved.
