Famine Relief.

Read the following paper:—

No. 4. *From W. DONALD, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 22nd February 1877, No. 837.*

Audit Department.

I have the honor to state that the audit and account work in connexion with the famine has increased to such an extent that I am compelled to ask for help to enable this office to overtake the same without allowing the ordinary business to fall into arrears. I have, accordingly, to request that His Grace the Governor in Council will be pleased to sanction the entertainment of the following extra establishment, as a temporary measure, the cost being debited to the Famine grant:—

	Rs.
One Superintendent	175
One Head Auditor	100
One First Assistant Auditor	80
Four Assistants on Rupees 50 each	200
One Assistant	30
One Copyist	25
Allowance for stamper	3
Total ...	613 per mensem.

2. In order that this establishment may be thoroughly efficient, I shall transfer to it specially qualified men now on the permanent strength of the office, and supply their places by others duly trained who will draw acting allowances.

3. I have further to request that Government will be pleased to allow, under Section 20 of the Civil Pension Code, the services of the permanent men, while employed on the Famine Establishment, to reckon towards pension, and that the same concession may be extended to M. N. Vurtha Charry, a member of the permanent establishment of this office, who was selected by Mr. J. F. Price, when Additional Sub-Collector of Bellary, for employment on Famine duty under him.

No. 5. ORDER THEREON, 1st March 1877, No. 761.

The above proposals are sanctioned.

2. The extra charge must be debited to "Imperial—Famine Relief."

3. The Accountant-General will doubtless consider the qualifications of any clerks pensioned or on reduction of establishment to be available for employment.
