## Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 14<sup>th</sup> December 1898.

No. 7177. misc.

Read.....the following letter from L.M. Wynch Inquire, I.C.S., Acting Collector of South Arcot, Ref. on no. 494 of 98, dated 12<sup>th</sup> October 98: -

X X X X X X X

4. Of the 14 men now proposed to be put under training in the Special Survey School, I have already once undergone Survey training, and I beg to be informed whether these men also may be considered as "on special duty" under G.O. No. 918. Rev. quoted in Board Proceedings No. 654. L.R. dated 14<sup>th</sup>

November

November 1893, and substitutes appointed for them during their absence in the Surney School, as in the case of subordinates deputed to learn surveying for the first time.

Resolution.

The Board considers that if Government was actually put to the expense of employing substitutes during the first training of the seven men referred to by the Collector, the arrangement should not be repeated on the occasion of their <sup>second</sup> training, but the men should obtain any leave for which they may be eligible, for the period of their present training.

2. If, however, during the first training of any of the men, no substitutes were appointed at the expense of the State, such substitutes may fairly be appointed during their second training.
