Proceedings of the Madas Government, Public Works Department,
23rd February 1877. *No.* 614.

No. 567. Read the following endorsement of the Officiating District Engineer, Presidency, dated 16th February 1877, No. 5,927 :—

From Captain S. C. CLARKE, R.E., Executive Engineer, Junction Canal Works, to, Major H. M. VIBART, R.E., District Engineer, Presidency, dated 15th February 1877, No. 170.

I HAVE the honor to request again that the Chief Engineer may be solicited to sanction the following establishment for the Junction Canal Works, since the temporary establishment as sanctioned in the G.O., No. 3,348, dated 11th December 1876, has been found inadequate to carry on the work which is increasing daily.

2. The following is the proposed establishment :—

	Rs.
1 Overseer on	100
1 „ on	60
2 Lascars or Peons at Rupees 7 each	14
1 Store-keeper	25
1 Medical-Assistant	25
Office Establishment.	
1 Clerk and Accountant on	25
1 Draughtsman	25 or 30
2 Peons at Rupees 7 each	14

2. The second Overseer cannot often be spared to act as Draughtsman as previously arranged for, since his services will be required now to assist the senior subordinate in supervising the work out of doors and paying the coolies daily, so that a special individual is required to assist me in completing the requisite drawings of the various designs for bridges, &c. for the canal.

SUBMITTED to the Chief Engineer and Secretary to Government, Public Works Department, for favorable consideration and orders.

(Signed) H. M. VIBART, Major, R.E.,
Offg. Dist. Engr., Presidency.

No. 568. ORDER THEREON, 23rd February 1877, No. 614.
