No. 553. Read the following Proceedings of the Board of Revenue, dated 11th April 1877 :—

Read the following letter from R. S. BENSON, Esq., Acting Head Assistant Collector, to J. F. PRICE, Esq., Acting Collector of Cuddapah, dated Nundalore, 26th March 1877, No. 271.

As directed in your official memorandum, No. 149, dated 1st March 1877, I have the honor to submit my weekly report on the physical condition of the relief coolies as influenced by the reduced scale lately introduced.

2. I have, during the week past, inspected all the gangs on the Chitwail-Hobly Road. As I had not seen the gangs before the new scale was introduced, I am unable to compare their former and present condition. Many of them were in very fair condition. Some 20 per cent. appeared to be below par and suffering from insufficient food.

3. I incline to think the present rates are sufficient to keep women and children in health. I think they will not suffice for working men. One half anna more would suffice for them. Our rates would then be—

FORWARDED for the information of the Board of Revenue. The coolies on this road were inspected by me, and I saw several who were by no means in good condition. Taking them all through they were in a much better state than the people of Kodoor, many of whom, however, had come from North Arcot, Nellore, and the sub-division on account of there being, so they said, no work to be had there.
