Famine Relief

No 585 A Read the following letter from A McC WEBSTER, Esq, Acting Commissioner of the Nilgiris, to J H GAPSTIN, Esq, Additional Secretary to Government, Revenue Department, Fort St George, dated Ootacamund, 7th April 1877, No 38 —

With reference to Circular No 652, of 13th February 1877, I have the honor to state that the only relief works recommended by me are as follow —

(1) The construction of some bridle paths in the Paranganad (Orange Valley)

Division

(2) The metalling of a portion of the road between Tippacaudu and Seegoor

(3) The construction of a road from Musnagoody to Hoondy

(4) The deepening of the tank at Musnagoody

2 Part of work No 1 has been sanctioned by Government, but as good rain has fallen in that part of the country, and the people are now engaged in cultivation, I have not commenced the work, and it will remain in abeyance until actual necessity arise.

3 The other works have not yet been sanctioned. These works will, as far as I can judge at present, provide employment for all who will probably be in need of relief until next September.
