Pros: Board of Revenue
dated 10th March 1877 on 2
letter from Collector of Tanjore dd
28th February 1877 No 760

With reference to the Bd's re-
marks in para 2 of their Pro: dd 19th
Febry 1877 No — I have the honor to ob-
serve that the estimates referred to in
my letter of the 10th Febry 1877 No 562, are
in connection with new Irrigation projects
of some magnitude which have not
yet been fully investigated but which
are contemplated by the Dist: Engineer
whereas those reported to have been
sanctioned and ready refer to minor
tank repairs which would not cost
more than about Rs 10,000 or Rs 15000
altogether and which if given to the
villagers can be executed in a very
brief time and will afford an appreciable
relief to sufferers.
