GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

3rd March 1877, No. 793.

Famine Relief.

Read the following paper :—

No. 32. From Major F. J. HICKS, Government Grain Agent, Bellary, to the Chief Secretary to Government, dated 26th February 1877, No. 333.

As I am not receiving returns regularly from District Officers showing the quantity of Government reserve rice actually received and stored at each depôt, I have the honor to suggest that instructions be sent to Collectors to direct such returns to be prepared at once and sent to me regularly in future.

2. A form of return was prescribed by Mr. Thornhill, and circulated so far back as 19th December 1876, but up to this date I have received no returns from the officers in charge of the depôts noted in the margin.

Bellary District.	Kurnool District.
Raidroog.	Cumbum.
Kudlighi.	Nandial.
Pennaconda.	Chagulmurri.
	Markapur.
Cuddapah District.	Komaravoll.
Madanpalli.	
Regubet.	

3. I believe these returns are of some importance, and are necessary to show the quantity of reserve rice actually in stock. I think, therefore, they should be sent to me punctually.

4. I also suggest that all grain depôts should be periodically examined by some responsible District Officer, and the state of the store-rooms, and care taken to preserve the rice in good order reported to the Collector of the District.

No. 33. ORDER THEREON, 3rd March 1877, No. 793.

Communicated to the Collectors of Cuddapah, Bellary, and Kurnool, with instructions to keep Major Hicks fully informed as to the reserve stocks in the sub-depôts in their districts, and to take all necessary precautions for the preservation of the stock in good order.

2. Major Hicks will furnish Government with a complete statement showing Districts, Taluqs, Sub-depôts, and amount of reserve stock in each, as soon as he is in a position to do so.

3. The Government are anxious to have information on these points at an early date.
