Margin

3. The Rate of Collections in Narasaraopet, Bezwada and Vinukonda is exceptionally backward. The Reports furnished under G.O dated 9th Dec. 1876 No. 1986 show that Vinukonda & Narasaraopet have been most affected by the drought; but the Board doubt whether Collections need have been suspended to the Extent which has been allowed. The Collector's attention is called to the subject.
