*Proceedings of the Madras Government, Revenue Department,
2nd May 1877.*

Famine Relief.

No. 50. Read the following Proceedings of the Board of Revenue, dated 23rd April 1877, No. 1,861:—

Read the following letter from H. T. ROSS, Esq., Acting Head Assistant Collector of Bellary, to J. H. MASTER, Esq., Collector of Bellary, dated Hindupur, 8th April 1877, No. 214.

At the instance of the Tahsildar of Pennakonda I have the honor to request instructions on the following points with reference to Board's Proceedings, dated 21st February 1877.

2. May a gang of coolies be allowed credit for any extra work done on a day for the deficient work of the previous day? For instance, suppose a gang has to dig out 10 cubic yards of gravel a day. The ground being hard it requires softening by water; so that the first day the gang does not do more than, say, half the digging work, but the following day the ground being easy they turn out say 15 cubic yards. Now the question is, are they to be paid half wages for the first day and full wages for the second day, or may they be paid full wages for each day taking the total quantity of work turned out?

3. The Kolkars or gangsmen now employed on our works are, for the most part, illiterate men, and cannot therefore be safely trusted to distribute the money to their respective gangs correctly. May the Maistries or Mootsadies be allowed to distribute the money instead of the Kolkars?

—
SUBMITTED to the Board of Revenue for their orders.

NAGALUR,
15th April 1877.

(Signed) J. H. MASTER,
Collector.

—
THE first question may be left to the discretion of the officer certifying to the execution of the task.

2. On the second point the Collector is referred to G.O., No. 1,241, Revenue Department, dated 26th March 1877, which gives discretion as to pay through gangsmen.
