No. 78. Read the following letter from L. C. PROBYN, Esq., Accountant-General, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, Fort St. George, dated 23rd April 1877, No. 98:—

I HAVE the honor respectfully to suggest, for the consideration and orders of His Grace in Council, that the expenditure on account of the works referred to in G.O., No. 1,366A, dated 7th instant, Revenue Department, should be incurred and checked under Public Works Rules.

2. This department is not in a position to give professional audit to such charges, and it is necessary that if audited by the Examiner, Public Works Accounts, the funds should be supplied by him.

3. There is no reason, I may add, why funds should not be supplied as promptly in the case of works carried on under Public Works Rules as in the case of works carried on by Civil Officers.
