Famine Relief.

No. 92. Read the following letter from L. C. PROBYN, Esq., Accountant-General, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 3rd May 1877, No. 135:—

WITH reference to Proceedings of Government, No. 1,489, dated 19th instant, I have the honor to request that I may be informed whether it is the intention of Government that the working pay of the men of the Company of the "Queen's Own" Sappers and Miners, therein referred to, and their hutting charges, should be a charge against the famine grant and be paid in the Civil Department. If so, the Military Pay Department should, I venture to suggest, be instructed not to disburse any charges on those accounts to those men.

No. 93. ORDER THEREON, 4th May 1877, No. 1,636.

Miscellaneous.

COMMUNICATED with copy of G.O. No. 1,489, of the 19th ultimo, to the Military Department with the request that

this department may be informed whether charges on account of working pay of Sappers and Miners are ordinary Military charges and debitable to the Military Budget or not.

2. The cost of hutting should clearly be a famine charge, and it is presumed the Military Pay Department are not making any disbursements on that account.
