With reference to paragraph 2 of letter from the Government of India, recorded in G.O., No. 1,341, dated 5th April 1877, Revenue Department, I have the honor to point out that the pay and personal allowances of the 16 Forest Officers amount to Rs. 5,490-14-6, as shown below, and not to Rs. 5,150 only, as mentioned therein:—

leaving a saving of Rupees 159-1-6 per mensem till Captain Walker, who is now on special duty in the New Zealand, returns, when there will be a charge of Rs. 640-14-6 over the sanctioned scale of Rs. 5,800. Under these circumstances, I request that the matter may again be laid before the Government of India.

No. 107.

ORDER THEREON, 5th May 1877, No. 1,643.

Forests, No. 3.

THE Government observe that the cost of the department is correctly stated in Colonel Beddome's letter printed in Government Proceedings, 27th December 1876, and this Government's letter of the same date to the Government of India, with the exception of one slight error, in the matter of Mr. Ferguson's pay, given in the Conservator's letter as Rs. 350, including personal allowance, instead of Rs. 400, including that allowance, his travelling allowance being only Rs. 100 against Rs. 150 in the case of Messrs. Yarde and Sheffield. This renders the statement in paragraph 2 of this Government's letter incorrect so far as personal allowances are concerned, the correct amount being Rs. 450 instead of 400 as there stated. This difference, amounting annually to Rs. 600 only, is not of importance since the total expenditure inclusive of travelling allowance is shown correctly in Colonel Beddome's letter to which the Government of India refer. That Government, however, do not appear to have observed that the difference of military pay of the Deputy Conservator is borne by the Forest Department, though this is mentioned in paragraph 2 of this Government's letter.
