GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

5th May 1877, No. 1,645-A.

Famine Relief.

Read the following paper:—

No. 109-A. From L. C. PROBYN, Esq., Accountant-General, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 24th April 1877, No. 103.

I HAVE the honor to submit the letter from the Collector of Bellary, No. 1,154, dated the 21st instant, in original, on the subject of the travelling allowance, &c., of officers appointed by Government for special duty in connection with famine relief works for such orders as the Government may be pleased to pass on the points therein raised.

2. With reference to the Collector's first inquiry, I may observe that the Order of Government, dated the 2nd January 1877, No. 7, Revenue, sanctioning the grant of actual expenses to certain officers, is a special one affecting only the officers therein named. Under it, it will be observed, they are entitled, in addition to horse allowance, to "travelling expenses actually incurred other than such as the Government contemplated," which may be taken to mean other than the expense of a day's "ride out and back with an occasional change of centre."

3. I request that the orders of Government on the present reference may be general, so that the cases of officers similarly employed in the other distressed districts may be regulated thereby.

4. I take the present opportunity of inquiring whether Military officers from Madras are to be allowed any travelling allowances or to charge for any portion of their actual travelling expenses. The orders of the 6th ultimo, No. 943, it will be observed, only apply to Military and Civil officers from Bengal. Military officers from Madras are, under existing orders, entitled to nothing beyond the allowances sanctioned for them by G.O., No. 990, dated 8th ultimo, Revenue Department.

ENCLOSURE No. 1.

From J. H. MASTER, Esq., Collector of Bellary, to L. C. PROBYN, Esq., Accountant-General, Madras, dated 21st April 1877, No. 1,154:—

I HAVE the honor to request that you will be good enough to inform me whether officers appointed by Government on famine relief work and receiving salaries varying from 50 Rupees to 300 Rupees per month and horse allowance varying from 10 Rupees to 30 Rupees are entitled to any travelling allowance or tentage when moving about in the division or taluq in which they are stationed.

2. If they are not entitled to travelling allowance or tentage, I request that you will inform me whether they can recover from Government the actual expenses incurred in carrying their tents and office furniture.

3. In No. 13,959 (Audit Department), dated 23rd March 1877, from the Deputy Accountant-General, I was informed that officers of the class referred to are, on transference from one division or taluq to another, entitled to draw travelling allowance at 4 annas per mile by road and 1½ annas by rail, and I request that you will inform me further whether on such transference they are also entitled to the actual expenses incurred in moving their tents and horses.

Sir,

I have the honor to request that you will be good enough to inform me whether officers appointed by Government on famine relief work and receiving salaries varying from 50 Rs to 300 Rs per month and horse allowance varying from 10 Rs to 30 Rs are entitled to any travelling allowance or tentage ^{when} moving about in the divisions or taluqs in which they are stationed.

If they are not entitled to travelling allowance or tentage I request that you will inform me whether they can recover from Government the actual expenses incurred in carrying their tents and office furniture.

In No 13959 (Audit department) dated 23rd March 1877 from the Deputy Accountant General, I was informed that officers of the class referred to are on transference from one division or

He also requests to be informed whether Madras Military officers are to be allowed any travelling allowances or to charge for any portion of their actual travelling expenses - pointing out that while Bengal Civil and Military officers under G.O. of 6th March 1893 get special travelling allowances, the Madras Military officers get none because G.O. of the 6th March 1893 applies to their case and contains no ruling on the point.

With regard to the first question it is, I submit, reasonable that Jamine officers should get travelling allowances and suggest the following scale:
To those drawing salaries
Between 50 & 100 a month 2 Rs a day
Between 100 & 200 3 Rs a day

I don't think there any rule

With regard to the second question the simplest plan will be to make Para 2 of G.O. of the 6th March 1893 applicable to Madras Military officers. This will give them Subcollector's travelling allowances when over, and Head Assistant's when under, 10 years service. The only point is whether retrospective effect should be given to such an order from the date of the issue of G.O. 1893 i.e. from March 6th -

Orders are requested.
