Major C. C. Sargeant Mil. Sy has suffered very much from dyspepsia, diarrhoea & the depressing effects of heat during the last hot season in Madras, & I think it is more than probable that he will again suffer in a similar manner unless he has a change of air. I would strongly recommend him to leave Madras for the next two or three months.

Sir

I have the honour to request you will be good enough to endeavour to induce the Government to grant me two months Privilege leave from 4th of April or date of departure. I am aware of the order ruling that no Officer in Civil employ can be allowed privilege leave during the present distress and would not press the matter at the present moment but that I feel a change of climate necessary. I have been in Madras two hot seasons without leave and think, providing you can spare my services, Government might be
