GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

5th May 1877, No. 1,647-A.

Famine Relief.

Read the following paper :—

No. 113-A. Proceedings of the Board of Revenue, dated 25th April 1877,
No. 1,914.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem,
to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated
Darampury, 15th April 1877, S. N. No. 1,167.

I HAVE the honor to enclose the undermentioned estimates for relief-works in
this district, and to request the Board's sanction to them :—

- (1.) Estimate for the Mullapuram Papireddy Road, Rs. 6,580, Uttengeri Taluq.
- (2.) Do. for the new Pudupett and Elikananattam Road, Rs. 4,770, Tripatur Taluq.
- (3.) Do. for collecting materials, &c., on the Manjavadi Road, Rs. 4,000.

All the estimates have been examined and countersigned by the District
Engineer.

THE Manjavadi road is a useful one, and the repair estimate, Rs. 4,000, is
sanctioned.

2. The Board observe that the road from Mullapuram to Papireddypetty is
stated to be in progress in Mr. Dawes' report for March, but it is not entered in the
relief reports for the 24th March, which is the latest returned by Government.
The Pudupett and Elikananattam road also does not appear in the relief report.
If neither of these works have been begun, the Board would prefer that they should
be postponed. There is no use in making roads which cannot be maintained here-
after. There are plenty of irrigation works to be taken up instead.

3. The Collector will report whether these roads have been commenced, and
will furnish explanation as to their utility and the possibility of keeping them up.
