GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

8th May 1877. No. 1,667-A.

Famine Relief.

Read the following paper:—

No. 153-A. *Proceedings of the Board of Revenue, dated 27th April 1877, No. 1,940.*

Read again Board's Proceedings, dated 7th April 1877, No. ———.

Read also the following letter from E. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Kurnool, 17th April 1877, No. 346:—

With reference to Board's Proceedings dated 7th instant, I have the honor to inform you that the estimate submitted by the Special Deputy Collector is for a road already in progress and was forwarded with reference to the Board's

Proceedings directing arrears of estimates to be brought up and submitted for sanction.

2. As, however, labor and supervision are now being concentrated on the main roads, and as particulars of two large and promising irrigation projects in the district are under preparation, I think it unnecessary to complete the Calva road at present.

3. The estimate may, however, be passed at present, but work need not be resumed, nor resumed unless absolutely necessary. The estimate is herewith resubmitted for sanction.

In the circumstances stated, the Board resolve to submit the estimate for the orders of Government as a sanctioned estimate will be required before the bill for the work done can be passed. But the road should not be resumed without special report. The cost of the work done already is excessive.
