Read statement of cultivation up
to December 1876 in each Taluk of District
dated 25th January 1877

Submitted to Government in con-
tinuation of the Board Proceedings dated 15th
January 1877 &c &c

2 The accompanying abstract states
the number of particulars of cultivation for each
Taluk similar to those given for the whole
District in paras of the Board Proceedings
quoted above.

3 It will be observed that in the extent
cultivated during the South West Monsoon
there was a decrease on the whole of 80815
acres, while in that cultivated during the
North East Monsoon there has been an
increase of 19737 acres, as compared with
the average of the past five years, the result
