Mr Gust

I am most willing. Might we ask the Council to-day?

I would sanction [illegible] to the [illegible] Paid [illegible] on Canal [illegible] at once so as to encourage [illegible] & if possible keep flowing the tide which appears to have now set in — 6/5

I quite agree understanding 1¼ & 1½ or 2 each fixed rate for those [illegible] work under P.W.D. It being understood that piece work is not checked. My belief is that this will only correspond with the Bombay system as worked by Gen. [illegible]
