GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

8th May 1877, No. 1,671.

Famine Relief.

Read the following paper:—

No. 160. Proceedings of the Board of Revenue, dated 25th April 1877,
No. 1,900.

Read the following letter from H. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 19th April 1877, No. 279.

ADVERTISING to paragraph 6 of G.O., dated 31st January last, No. 329, Financial Department, I have the honor to report on the physical condition of the coolies employed on relief works in this district, during the week ending Saturday the 14th instant.

2. The Special Relief Officer says: "I have this week only the same report to make as my last." The Deputy Collectors in charge of the Saidapet and Trivellore Taluqs state that they have observed no changes in the physique of the laborers since the date of their last reports, and the Public Works Department officers state generally that the condition of the coolies is good; but all the works under that department, with one or two exceptions, are being executed by the piece, so that the scale of wages does not affect the coolies' condition.

3. I have not heard anything further from the Sub-Collector, but should add that the numbers employed on local relief works is small, owing to the large numbers on the railway.

Submitted for the information of Government.
